ÅRSREGNSKAP FOR REGNSKAPSÅRET 2025 - GENERELL INFORMASJON

Journalnummer: 2026 641278

Virksomheten

Organisasjonsnummer: 915 308 775
Organisasjonsform: Aksjeselskap
Foretaksnavn: HIMA SEAFOOD RJUKAN AS
Forretningsadresse: Hydroparken 270
3660 RJUKAN

Regnskapsår

Årsregnskapets periode: 01.01.2025 - 31.12.2025

Konsern

Morselskap i konsern: Nei

Regnskapsregler

Regler for små foretak benyttet: Ja
Benyttet ved utarbeidelsen av
årsregnskapet: Regnskapslovens alminnelige regler

Årsregnskapet fastsatt av kompetent organ

Bekreftet av: Erik Ponterius
Dato for fastsettelse av årsregnskapet: 29.06.2026

Revisjon

Ekstern autorisert regnskapsfører har i løpet av regnskapsåret bistått ved den løpende regnskapsføringen eller utført andre tjenester for selskapet enn å utarbeide årsregnskapet: Ja

Grunnlag for avgivelse

År 2025: Årsregnskap er elektronisk innlevert.
År 2024: Tall er hentet fra elektronisk innlevert årsregnskap fra 2025.

Virksomheten sitt øverste organ er ansvarlig for at årsregnskapet er signert. Det er mulig å levere årsregnskap uten signatur fordi sikkerheten for rett rapportering er ivarettatt ved at innsenderen har rolle/rettighet for innsending i Altinn. Navnet på representanten, som bekrefter at årsregnskapet er godkjent, er i tillegg oppgitt.

Tillatelse til å utarbeide årsregnskap og årsberetning på engelsk for Hima Seafood Rjukan AS, org.nr. 915 308 775

Vi viser til deres brev av 10. april 2025 der det søkes om dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk for Hima Seafood Rjukan AS.

Skattekontoret gir på bakgrunn av en konkret helhetsvurdering Hima Seafood Rjukan AS dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk, jf. regnskapsloven § 3-4 tredje ledd. Dispensasjonen gjelder så lenge opplysningene som danner grunnlaget for vedtaket ikke endres vesentlig.

Kopi av dette brevet må sendes til Regnskapsregisteret i Brønnøysund sammen med årsregnskapet. Den regnskapspliktige må selv dokumentere ved dette brev at tillatelse er gitt.

Bakgrunn

Hima Seafood Rjukan AS har norske og utenlandske profesjonelle eiere. Selskapet har som formål "Oppdrett av matfisk i landbasert anlegg, samt alt hva hermed står i forbindelse, herunder deltagelse i andre virksomheter." Kundene vil hovedsakelig være norske og utenlandske bedriftskunder. Styrelederen og et av styremedlemmene i selskapet er utenlandske.

Skattekontorets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal "årsregnskapet og årsberetningen [...] være på norsk. Departementet kan ved [...] enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk."

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap mv., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

"Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper

som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon.”

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til “informative regnskaper for ulike grupper av regnskapsbrukere”. Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter skattekontorets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Det er særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I denne vurderingen har skattekontoret lagt særlig vekt på at selskapet har norske og utenlandske profesjonelle eiere. Videre er det vektlagt at selskapet driver virksomhet i en bransje der alle sentrale aktører behersker og benytter engelsk.

Vennligst oppgi vår referanse ved henvendelse i saken.

Med hilsen

Lars Waalorp

Accounting principles

The annual accounts have been prepared in conformity with the Accounting Act and NRS 8 - Good accounting practice for small companies.

The company has constructed and in 2025 commenced operations of a land-based trout farming facility in Rjukan, Tinn municipality.

Operating revenues

Income from the sale of goods is recognised on the date of delivery. Services are posted to income as they are delivered.

Tax

The tax charge in the profit and loss account consists of tax payable for the period and the change in deferred tax. Deferred tax is calculated at the tax rate at 22% on the basis of tax-reducing and tax-increasing temporary differences that exist between accounting and tax values, and the tax loss carried forward at the end of the accounting year. Tax-increasing and tax-reducing temporary differences that reverse or may reverse in the same period are set off and entered net.

Deferred tax assets are not recognized in the balance sheet, in accordance with the exemption rule for small companies.

Classification and valuation of balance sheet items

Assets intended for permanent ownership or use are classified as fixed assets. Assets related to the operating cycle are classified as current assets. Receivables are classified as current assets if they are to be repaid within one year. Similar criteria are applied for liabilities. However, the first year's installment on long-term receivables and long-term liabilities is not classified as current assets and short-term liabilities.

Fixed assets

Land is not depreciated. Fixed assets are capitalized and depreciated linearly over their expected useful life if they have an assumed lifespan of more than 3 years and a cost exceeding NOK 30,000. Maintenance of assets is expensed as incurred. Enhancements or improvements are added to the asset's cost and depreciated along with the asset. The distinction between maintenance and enhancement/improvement is based on the asset's condition at the time of purchase. Interest costs related to the production of assets are capitalized. Expenses for leasing assets are expensed. Prepayments are recorded as prepaid expenses and allocated over the lease period.

Impairment of Fixed Assets

If there is an indication that the carrying value of a fixed asset exceeds its actual value, an impairment test is conducted. The test is performed at the lowest level of assets that have independent cash flows. If the carrying value is higher than both the selling price and the utility value (present value of continued use/ownership), an impairment is made to the higher of the selling price or utility value. Previous impairments, except for goodwill impairments, are reversed if the conditions for the impairment are no longer present.

Classification and valuation of current assets

Current assets and short-term liabilities normally include items that fall due for payment within one year of the balance sheet date, as well as items that relate to the stock cycle. Current assets are valued at the lower of acquisition cost and fair value.

Inventories

Inventories of purchased goods are valued at the lower of acquisition cost, determined using the FIFO principle, and fair value. Finished goods manufactured by the company and work in progress are valued at full production cost. Write-downs are made for expected obsolescence.

Estimated biomass

The stock of live fish cannot be quantified by an exact count as at 31 December. The determination of inventory is based on statistics in which additions, losses and withdrawals are subject to continuous registration. Weight is based on sample-based weight measurements taken on a regular basis.

Receivables

Receivables from customers and other receivables are entered at par value after deducting a provision for expected losses. The provision for losses is made on the basis of an individual assessment of the respective receivables.

Amounts in 1 000 NOK

Note 2 Salary cost, number of employees, remuneration etc.

In 2025, the company employed 0,76 man-years. The company had no employees in 2024.

Note 3 Property, plant and equipment

Fixed assets	Asset under construction	Land	Buildings and fixed installations	Equipment and other moveables	Total property, plant and equipment
Acquisition cost 01.01.2025	1 683 489	0	1 153 685	821	2 837 995
Additions	463 016	0	0	764	463 780
Disposals	0	0	0	0	0
Transferred	-2 146 505	17 575	2 128 930	0	0
Acquisition cost 31.12.2025 cost 31.12.	0	17 575	3 282 615	1 585	3 301 775
Accumulated depreciation 31.12.2025	0	0	116 735	273	117 008
Book value as at 31.12.2025	0	17 575	3 165 880	1 312	3 184 767
The year's depreciation	0	0	91 792	273	92 065
Estimated useful life			20 - 50 years	3 years	

Depreciation differs from the financial statements due to cost allocation to the production of fish. Assets under construction consist of planning and development costs related to land-based fish farm. In 2025 the development of the land-based fish farm has been completed and taken into use. Thus, depreciation has commenced for the entire fish farm.

Hima Seafood Rjukan AS

Notes to the Financial Statements for 2025

Note 4 Tax

This year's tax expense	2025	2024
Entered tax on ordinary profit/loss:

Long-term debt P Capital Partners	744 375	717 472
Total	981 606	986 035

Note 10 Basis for going concern

The construction of the facility at Rjukan has been financed through a loan from P Capital Partners (PCP), and equity and shareholder loans. The company’s cash flow forecasts for 2026 includes a capital need, which is assumed to be covered by additional equity and/or shareholder loans. It is the board’s clear expectations that the company will be provided with the necessary capital to be able to cover the mentioned liquidity needs.

The company has a loan agreement with PCP. The covenants with PCP were met at the end of 2025, and it is forecasted to be compliant the next twelve months.

The board acknowledges that there is some uncertainty regarding continued operations because of the mentioned circumstances but believes that this uncertainty is not material. The annual accounts have therefore been prepared on a going concern basis.

To the General Meeting of Hima Seafood Rjukan AS

Independent Auditor's Report

Opinion

We have audited the financial statements of Hima Seafood Rjukan AS (the Company), which comprise the balance sheet as at 31 December 2025, the income statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion the financial statements comply with applicable statutory requirements, and the financial statements give a true and fair view of the financial position of the Company as at 31 December 2025, and its financial performance for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board of Directors and the Managing Director for the Financial Statements

The Board of Directors and the Managing Director (management) are responsible for the preparation of financial statements that give a true and fair view in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern. The financial statements use the going concern basis of accounting insofar as it is not likely that the enterprise will cease operations.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. For further description of Auditor's Responsibilities for the Audit of the Financial Statements reference is made to: <https://revisorforeningen.no/revisionsberetninger>.
