Tillatelse til å utarbeide årsregnskap og årsberetning på engelsk for Marker Vindpark AS, org.nr. 915 592 163

Vi viser til deres henvendelse av 21. juni 2024 der det søkes om dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk for Marker Vindpark AS.

Skattekontoret gir på bakgrunn av en konkret helhetsvurdering Marker Vindpark AS dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk, jf. regnskapsloven § 3-4 tredje ledd. Dispensasjonen gjelder så lenge opplysningene som danner grunnlaget for vedtaket ikke endres vesentlig.

Kopi av dette brevet må sendes til Regnskapsregisteret i Brønnøysund sammen med årsregnskapet. Den regnskapspliktige må selv dokumentere ved dette brev at tillatelse er gitt.

Bakgrunn

Marker Vindpark AS er eid av et utenlandsk selskap. Selskapet driver virksomhet innen produksjon av elektrisitet fra vindkraft.

Selskapet har utenlandsk administrasjon og majoriteten av brukerne av årsregnskapet er utenlandske. Styrelederen og styremedlemmet i selskapet er utenlandske.

Skattekontorets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal "årsregnskapet og årsberetningen [...] være på norsk. Departementet kan ved [...] enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk."

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap mv., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

"Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper

som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon.”

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til “informative regnskaper for ulike grupper av regnskapsbrukere”. Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter skattekontorets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Det er særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I denne vurderingen har skattekontoret lagt særlig vekt på at selskapet er direkte eid av et utenlandsk selskap. Videre er det vektlagt at selskapet driver virksomhet i en bransje der alle sentrale aktører behersker og benytter engelsk.

Vennligst oppgi vår referanse ved henvendelse i saken.

Med hilsen

Accounting principles

The annual accounts have been prepared in conformity with the Accounting Act and NRS 8 - Good accounting practice for small companies.

Foreign currency

The annual statement is presented in EURO. Monetary foreign currency items are valued at the exchange rate on the balance sheet date.

Operating revenues

Income are posted to income as they are delivered.

Ordinary profit tax

The tax charge in the profit and loss account consists of tax payable for the period and the change in deferred tax. Deferred tax is calculated at the tax rate at 22 % on the basis of tax-reducing and tax-increasing temporary differences that exist between accounting and tax values, and the tax loss carried forward at the end of the accounting year. Tax-increasing and tax-reducing temporary differences that reverse or may reverse in the same period are set off and entered net.

Resource rent tax

From 2024, the deferred tax has been calculated based on gross rate 32.1% reduced with calculated corporate tax according to special rules.

The resource rent income for the wind power plant is calculated based on the plant's production, hour by hour, multiplied by the spot price for the corresponding hour. Deductions are made for actual operating costs, investments and improvements for the wind power plant, as well as tax depreciation. A deduction is made for a waiting interest, which is calculated based on the tax values of assets in the wind power plant, multiplied by a standard interest rate set annually by the Ministry of Finance. For 2025 this rate is set at 3,1%.

Deferred tax on resource rent is calculated based on temporary differences between the accounting and tax values of the wind power plant.

Classification and valuation of fixed assets

Fixed assets include assets included for long-term ownership and use. Fixed assets are valued at acquisition cost. Property, plant and equipment are entered in the balance sheet and depreciated over the asset's economic lifetime. Property, plant and equipment are written down to a recoverable amount in the case of fall in value which is expected not to be temporary. Write-downs are reversed when the basis for the write-down is no longer present.

Classification and valuation of current assets

Current assets and short-term liabilities normally include items that fall due for payment within one year of the balance sheet date, as well as items that relate to the stock cycle. Current assets are valued at the lower of acquisition cost and fair value.

Receivables

Receivables from customers and other receivables are entered at par value after deducting a provision for expected losses. The provision for losses is made on the basis of an individual assessment of the respective receivables.

Note 1 Loans and provision of security to leading personnel

The company has not given loans or collateral to leading persons, shareholders etc.

There are no employees in the company.

Note 2 Non-current assets

The tax expense for the year includes effects of updated information and revised estimates related to tax positions from prior years. Based on new information obtained during the year, amendments were made to previously submitted tax returns.

These amendments resulted in a net adjustment of EUR 780,548, comprising EUR 29,698 related to resource rent tax and EUR 810,246 related to corporate income tax. The adjustments are recognised in the current year's tax return but are reflected differently for financial reporting purposes, resulting in a tax income of EUR 357,855 in the financial statements compared with a tax expense of EUR 422,693 in the 2025 tax return.

Independent Auditor's Report

Opinion

We have audited the financial statements of Marker Vindpark AS (the Company), which comprise the balance sheet as at 31 December 2025, the revenue statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion the financial statements comply with applicable statutory requirements, and the financial statements give a true and fair view of the financial position of the Company as at 31 December 2025, and its financial performance for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board of Directors and the Managing Director for the Financial Statements

The Board of Directors and the Managing Director (management) are responsible for the preparation of financial statements that give a true and fair view in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern. The financial statements use the going concern basis of accounting insofar as it is not likely that the enterprise will cease operations.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. For further description of Auditor's Responsibilities for the Audit of the Financial Statements reference is made to: <https://revisorforeningen.no/revisjonsberetninger>
